

Channel Partner Certification Program

Certification Process

Level 5 Networks offers our partners a full range of complimentary online training courses to prepare for the certification exams. Level 5 Networks Channel Partners are required to employ individuals who complete, pass, and stay current on program certification requirements. Level 5 Networks offers the following certifications:

- Level 5 Networks Certified Sales Professional – L5-CSP
 - Course - Selling EtherFabric Solutions
 - Exam - EtherFabric Solutions Sales

- Level 5 Networks Certified Solution Architect – L5-CSA
 - Course - EtherFabric Interconnect Technologies
 - Exam - EtherFabric Interconnect Technologies

How To Become a Certified

1. Complete the Level 5 Networks Channel Partner Application at www.level5networks.com
2. Complete appropriate certification requirements available on Level 5's Partner Portal at www.level5networks.com
3. Request a certification exam when you are prepared by sending an email to exam@level5networks.com. Be sure to indicate the appropriate exam for your certification: L5-CSA or L5-CSP.
4. Complete the exam and email back to exam@level5networks.com. Results will be returned within 24 hours.

Note - the Level 5 Networks Channel Partner Program and any individual partners participation in the program is subject to cancellation or modification at any time by Level 5 Networks at Level 5 Networks' discretion, including by notification or publication of a revised program.
