

Evaluation / Sample Inventory Policy Statement

Program Description

Level 5 Networks offers our partners the ability to purchase Level 5 Networks' products at a non-standard discount when the products are used for the purposes of internal training, customer demonstration/evaluation, or for other in house (non end user sale) purposes such as technical assistance of end user customers. Purchasing Evaluation / Sample Inventory Units are not requirements of the Level 5 Channel Partner program; however, it is highly recommended to ensure proper product understanding/education, conducting customer demonstrations, and technical assistance.

Program Availability

This program is available to Channel partners in good standing who are currently authorized to the Level 5 Channel Partner Program.

Evaluation / Sample Unit Discount

Every Level 5 Channel Partner purchases four SKUs per product per location per year. All Evaluation / Sample Inventory Units come with a standard Level 5 Networks' end user warranty and associated technical support assistance.

Internal Use Unit Order Process

1. Complete the Level 5 Channel Program application at www.level5networks.com and attached as Appendix A below.
2. Complete the Internal Use Unit Online Form (include link) and submit it directly to Level 5 Networks prior to purchasing the Internal Use Unit. If purchasing from a Level 5 Networks' Authorized Distributor be sure to specify that you want to use the purchase as an Internal Use Unit.
3. Level 5 Networks will verify that you are an Authorized Channel Partner in good standing and have not previously purchased the program amount of the Internal Use Unit SKUs that you are ordering within the previous 6 months for the designated location. For Internal Use product pricing information please contact your Level 5 representative

Level 5 Networks Channel Partner Program

Appendix A - Evaluation / Sample Inventory Request Form

This form is for Level 5 Channel Partners and must be approved prior to purchasing a qualified Evaluation / Sample Inventory. Evaluation / Sample Inventory units are only available from Level 5 Networks or Level 5 Networks Authorized Distributors on a special order basis.

Evaluation / Sample Inventory Units are for internal training, end user customer demonstration/evaluation, end user customer support or other partner in house use.

Evaluation / Sample Inventory Units may be resold after 6 months after completing a Transfer of Ownership form available on the Level 5 Channel Partner Portal.

Selling an Evaluation / Sample Unit

Fill out the Transfer of Ownership form on the Level 5 Networks' Partner web site with the information on the new end user. Level 5 Networks' Service Team will transfer ownership of the Internal Use Unit and provide notification to both the partner and the new end user when complete.
